

MEPIELAN Centre regrets to announce the postponement of the INTERNATIONAL COST CONFERENCE ON ENVIRONMENTAL GOVERNANCE IN THE MEDITERRANEAN AND BEYOND: APPROACHES, CHALLENGES AND PROSPECTS which was to be held in Athens, Greece, from 28 to 30 April 2010.

The decision to postpone the Conference is due to the critical economic condition of Greece which has seriously affected the financing of the Conference at this stage. The Conference is now scheduled to take place in October 2010, on dates soon to be confirmed.

We will keep you informed through email and MEPIELAN Centre website where you can find updated information. If you have any queries about the Conference, please do not hesitate to contact us.
